

## Mohammad Khalid Ahmad Hamshari

### Personal Card

**Name:** Mohammad Khalid hamshari.

**Sex:** Male.

**Address:** Amman-swelih.

**Nationality:** Jordanian.

**Place/Date of birth:** Jordan-Amman-27\1\1988

**Social status:** single.

**e-mail :** [porsche\\_911turbo\\_gt@yahoo.com](mailto:porsche_911turbo_gt@yahoo.com)

**Mobile :** +962799230641

### Education

- Electric Engineering/power and control.
- University Name: Jordan University of Science and Technology (J.U.S.T.).
- Grade: very good.
- Graduation: January 2011.
- Drive license type: 3rd type- I have a car.
- Country: Jordan.

### Interests

- Automobiles Technology and interest car makers' news.
- Engineering science and its applications.
- Practicing sports (karate, volleyball, running, driving, cycling.....).
- Make friends.
- Computer games and play station.
- Music.

### Career objective

Implementing and enhancing what I have gained from my education, work experience, and skills in furthering my career and education in the field of electrical engineering, control and computer science, proving myself worthy, especially in research and design of new state of art equipment.

## Experience

- I have finished my training in Sigma Company at the "rafidan" hotel for three month.
- I have worked in Masar-Mid-Fiha'a Corporation at Abdalli for two months; my working is in quantity surveying and in the site.
- I have worked in "AL-zora'a" electromechanical company for one month as an electrical engineer; designing and modifying the electrical drawings by the Autocade.
- I was a member of formula-student in my university, and I was the in charge of designing of the electrical systems in the formula car (ECU & electrical devices).

## Computer Skills

- Microsoft Office.
- professional in AutoCAD (2D&3D).
- Matlab.
- Powerful knowledge of internet and search ability.

## Language

Fluent in written, reading and spoken Arabic and English (not bad in speaking).

## Additional Courses

- how to be hegemonic.
- elective courses in the university:
  - 1- Special topics in electric power systems.
  - 2- Microcontroller (Motorola type).
  - 3- Protection of power system.
  - 4- High voltage system.

## Personality

Having high communication skills, persuasive, creative, quick learner, quick to adjust to job requirements, effective team member and hard worker enjoying under-pressure jobs.
